2020 State Theatre Center for the Arts FREDDY© Awards

### **A UNIQUE PARTNERSHIP**

The State Theatre Center for the Arts FREDDY© Awards were first announced in April 2002. Named after our famed ghost, J. “Fred” Osterstock, the State Theatre Center for the Arts is pleased to present the 2020 FREDDY© Awards—rewarding exceptional accomplishments in the production and performance of musical theatre in local high schools. With so much emphasis on athletics in our schools, it’s time to recognize significant achievement in the arts. The FREDDY© Awards program recognizes the extraordinary amount of work, creativity, and devotion that faculty and students pour into their high school theatrical productions. We strive to celebrate the entire art of musical theatre: casts and crews, directors and designers, and the great musical theatre works that inspire such commitment, while developing a creative and dynamic relationship between area high schools and a professional theatre organization. Months of preparation, evaluation and deliberation will culminate in the 2020 FREDDY© Awards ceremony (modeled after the Tony® Awards) which will take place at 7:00 PM on Thursday, May 21<sup>st</sup>, 2020 at the State Theatre Center for the Arts in Easton. Students from high schools located in Northampton and Lehigh counties in Pennsylvania and Warren County in New Jersey will perform selections from nominated productions on the stage of the historic State Theatre.

The partnership between the State Theatre Center for the Arts FREDDY© Awards and Northampton Community College Theatre Department creates a unique opportunity for students from Pennsylvania and New Jersey to receive an education at Northampton Community College. Any current student who is affiliated with a participating high school and who plans to enroll at Northampton Community College is eligible to apply.
