2021 State Theatre Center for the Arts FREDDY© Awards

A UNIQUE PARTNERSHIP

The State Theatre Center for the Arts FREDDY© Awards were first announced in April 2002. Named after our famed ghost, J. “Fred” Osterstock, the State Theatre Center for the Arts is pleased to present the 2020 FREDDY© Awards—rewarding exceptional accomplishments in the production and performance of musical theatre in local high schools. With so much emphasis on athletics in our schools, it’s time to recognize significant achievement in the arts. The FREDDY© Awards program recognizes the extraordinary amount of work, creativity, and devotion that faculty and students pour into their high school theatrical productions. We strive to celebrate the entire art of musical theatre: casts and crews, directors and designers, and the great musical theatre works that inspire such commitment, while developing a creative and dynamic relationship between area high schools and a professional theatre organization. While the pandemic has again impacted the ability to go ahead with the awards-style ceremony in 2021, the program has been modified and a televised celebration of our theatre students and their schools will be aired on WFMZ-TV on the originally scheduled date of Thursday, May 27.

The partnership between the State Theatre Center for the Arts FREDDY© Awards and Northampton Community College Theatre Department creates a unique opportunity for students from Pennsylvania and New Jersey to receive an education at Northampton Community College. Any current student who is affiliated with a participating high school and who plans to enroll at Northampton Community College is eligible to apply.
